The role

The role of a District Commissioner is very rewarding and is an opportunity to develop yourself and others. The District Commissioner, or District Commissioner Team, will have the opportunity to meet young people and adults, whose lives have been changed as Scouts, and to inspire and help Scouts Groups grow and deliver even more exciting and adventurous activities to even more young people. This is a flexible role and this role is open to role share within a small team. The format of the team can be decided between its members with some guidance from Headquarters. These roles do not necessarily need to be filled by current adult volunteers.

What next?

If you would like to be considered for the role or know someone that might fulfil the role, please contact Central Cluster District Support colin.floyd@hampshirescouts.org.uk for any further information or interests from individuals and prospective teams.
